

MEIJENDELROUTE 20,4 KM

This route takes you through the beautiful dune area of Meijendel: the largest connected dune area of Zuid-Holland. Enjoy a dynamic dune landscape full of water features, forests and sand plains along the way. Because the distance is not very long, this is a nice route for the whole family. Tip from us: stop in Meijendel at the Monkeybos, a nice play forest for children. Kids can build huts, climb trees, there is a cable car, a watchtower, very large water pipes where they can walk through and much more.
