

ENTERTAINMENT PROGRAMME

3 JULY TO 28 AUGUST 2020

ACTIVITIES FOR THE WHOLE FAMILY

Our entertainment team organizes fun activities for the whole family again this summer. The programme is of course adapted because of the whole corona situation, but that should not spoil the fun. The most important thing: for a number of activities you have to register now, so we can make sure it does not get too crowded. The activities will be outside as much as possible.

Take a quick look at the program to see which activities you don't want to miss this holiday.
